Fair Trade Schools Consultant

What? A Fair Trade Schools Consultant can offer you:

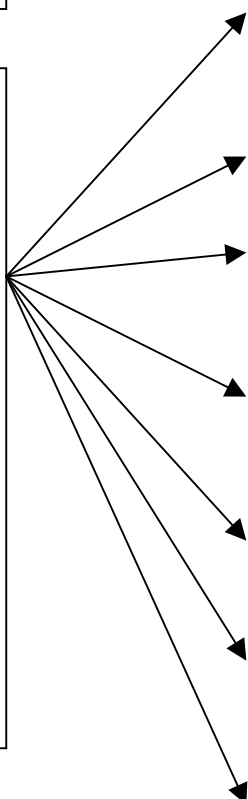

- a) Start up, including a school visit/assembly to motivate your school with Fair Trade. A meeting with the lead teacher to produce an action plan and scheme of work
- b) Application Support – a follow up meeting, where they can help you become a Fair Trade School, collate all the information you need and offer you further support.
- c) Half day or whole day workshops/demonstration lessons.

Fair Trade School Speakers

What? You may have a volunteer speaker in your area. To find out contact schools@fairtradewales.com. These can be people from town and county Fair Trade groups, ex teachers or students. Our volunteer school speakers have received a training day, and are CRB checked.

Where? Across Wales – get in touch to see if we have someone in your area

How much? Free

Telephone Support

We also have a 'Fair Trade Friday' hotline, available to schools. If your school needs some phone support we have a dedicated Fair Trade Schools expert to help you with any problems, or perhaps to give you tips, point you in the right direction, whatever the query. Of course you can call the Fair Trade Wales office at any time but the Fair Trade Friday hotline guarantees someone will be available all day for schools queries.

Fair Trade Friday Schools Hotline: 0800 0699 409
