### Ordering products

Ask your current product supplier or caterer if they stock Fairtrade products. There is a list of companies that supply Fairtrade products to your region at [www.fairtrade.org.uk/suppliers\\_caterers](http://www.fairtrade.org.uk/suppliers_caterers). If your town has its own Fairtrade directory, this could be another useful source of information. Another way to order products for your school is through some of the organisations below, or your local Co-op or other supermarket.
